Dear Parent:

A thorough health program has been established in the schools of the Diocese of San Diego. Its purpose is twofold; to insure adequate health protection for children at school and to discover health conditions which might be a threat to the sound health of each pupil and consequently a hindrance to his progress and maximum achievement of school work.

Essential to this program is a periodic thorough health examination of all children. Therefore, in fulfillment of Diocesan school regulations, all children in Kindergarten and grades 1, 4, 7, 11, and all new pupils will be expected to have a thorough physical and dental examination by:
